Purpose and Background

Goodna Netball Association and persons identified in the Member Protection Policy Clause 3 have an obligation to maintain a safe physical and emotional environment. This responsibility is not solely confined to the netball court.

Goodna Netball Association acknowledge that the Internet and ICT devices/equipment can bring great benefit to all users and to the effective operation of **Goodna Netball Association**; however, Cyber safety issues related to the use of Information and Communication Technologies (ICT) have the potential to have a negative impact upon all concerned.

Goodna Netball Association place a high priority on the acceptable use of ICT devices/equipment which will benefit members; however, it recognises that the presence in the sporting arena of these technologies may also facilitate anti-social, inappropriate, abusive, threatening and/or illegal behaviour and activities. **Goodna Netball Association** seek to maximise the benefit of these technologies while at the same time minimising the dangers and managing the risks.

What is Cyber Bullying?

“Cyber Bullying is a way of delivering covert psychological bullying. It uses information and communication technologies to support deliberate, repeated and hostile behaviour, by an individual or group that is intended to harm others” (Belsey 2007).

Cyber Bullying includes, but is not limited to, the following misuses of technology:

- a) harassing, teasing, intimidating or threatening another Registered Member by sending or posting inappropriate and hurtful e-mail messages, instant messages, text messages, phone messages, digital pictures or images, or web site postings, irrespective of whether the post or message could be viewed by the wider public
- b) sending, receiving and/or possessing naked or sexually explicit images of a Registered Member.

Registered Members should:

- a) be aware that postings, comments and/or messages from their individual ICT account or mobile phone will remain the responsibility of the account owner unless the account owner can prove that their account had been accessed by an unauthorised person and by a method outside of their control
- b) be vigilant about the security of their account(s) and take all reasonable steps to protect themselves, for example, not sharing passwords or allowing others to log on to their individual accounts
- c) be aware that where a crime has been committed, they may be subject to a criminal investigation by Police over which **Goodna Netball Association** will have no control. This particularly applies to ‘sexting’ where the Registered Member is in possession of an inappropriate sexualised image of a person under the age of 18 years

Policy Statement

Goodna Netball Association and persons identified in the Member Protection Policy Clause 3 will implement and maintain rigorous and effective Cybersafety practices which aim to maximise the benefits of the Internet and ICT and allow for the effective operation of **Goodna Netball Association**, whilst minimising and managing any risks. Such practices will aim to maintain a Cybersafe playing environment and address the needs of the **Goodna Netball Association** to receive education about the safe and responsible use of present and developing ICT.
